

Postdoctoral Researcher (f/m/d) in the field of Entrepreneurship and Technology Management

Job description:

The chair of entrepreneurship is looking for a postdoctoral researcher to contribute to research activities, mainly in the field of digital entrepreneurship and entrepreneurship as design science.

As a first reference, please look at:

- Steininger, Dennis M. (2019): Linking information systems and entrepreneurship. A review and agenda for IT-associated and digital entrepreneurship research. In *Info Systems J* 29 (2), pp. 363–407. DOI: 10.1111/isj.12206.
- Dimov, Dima (2016): Toward a design science of entrepreneurship. In J. A. Katz, A. C. Corbett (Eds.): *Models of Start-Up Thinking and Action*. UK United Kingdom: Emerald Group Publishing Ltd (Advances in Entrepreneurship, Firm Emergence and Growth), pp. 1–31.

In addition to the research activities, we expect the candidate (after a first period of orientation) to lead part of the research team (3-4 PhD candidates). Furthermore we expect a contribution to the conception, coordination, organization and implementation of courses, coaching activities and third party funded projects in the field of Entrepreneurship & Technology Management.

Qualification:

You must have a doctoral degree with a subject related to Entrepreneurship. Professional experience is welcome (but not necessary).

You have first experiences with scientific publications in journals and conferences. You also have a good knowledge of spoken and written English and German and sound knowledge in digital technologies. You also have enthusiasm for the topic and an overall professional attitude.

We offer:

We offer an attractive and modern workplace with access to excellent facilities of KIT, diverse and responsible tasks, a wide scope of advanced training options, supplementary pension with the VBL (Pension Authority for Employees in the Public Service Sector), flexible working time models, a job ticket (BW) allowance, and access to the KIT cafeteria/canteen.

Salary:

The remuneration is based on the wage agreement of the civil service in TV-L E13.

Institute:

Institute of Entrepreneurship, Technology Management & Innovation (EnTechnon)

Contract duration:

limited to two years

Starting date: 01.02.2020

Application up to: 31.10.2019

Contact person in line-management: For more information please contact Prof. Dr. Orestis Terzidis, Email: orestis.terzidis@kit.edu.

Application: Please send only complete applications including CV, motivation letter, copies of academic degrees and transcripts of records as a single pdf file to Ms. Tanja Himstedt, Email: tanja.himstedt@kit.edu.

We prefer to balance the number of female and male employees. Therefore we kindly ask female applicants to apply for this job.

If qualified, handicapped applicants will be preferred.
